

# 2003 Lieutenant Governor's Summer Internship Program

*Lieutenant Governor Joseph E. Kernan*

## ***Lt. Governor's Summer Internship Program***

**"The best way to learn about the rewards of public service is to experience them first-hand. Our program provides that opportunity. In return, we benefit from the students' hard work and commitment to the state of Indiana."**

- Duties:** Lt. Governor's Interns are considered staff members of either the Department of Commerce, the Office of the Commissioner of Agriculture, the Lieutenant Governor's Office or a quasi agency. Duties will depend on each agency's needs at the time.
- Eligibility:** Undergraduate students who have completed at least their sophomore year and are in good standing; no specific major is required, but an understanding of and interest in state government is essential.
- Selection:** The steering committee conducts an initial review of the applications; the most qualified candidates are then selected to interview with the committee at the State House in Indianapolis between March 23 and April 3, 2003. Selections are made on a competitive basis with attention given to academic record, personal interview and the value of the internship to the student. Selections will be made in early April. You will be notified by mail whether or not you have received an internship position.
- Dates:** The internship will run from mid-May through mid-August.
- Salary:** \$798.00 biweekly
- Credit:** Determined by individual university.

Please answer the following question (in 500 words or less) on a separate sheet of paper:

Indiana is blessed to have some of the greatest colleges and universities in the country. Each of these schools produces many well-educated and highly qualified graduates each year. In recent years, the state has made a concerted effort to retain its college graduates. This initiative is an important component in the state's efforts to be in state of progress. Do you see yourself staying and working in Indiana upon graduation from college? Why or why not? What factors would positively influence your decision to stay?
